

I would like to comment on the possiblity of the FCC diminshing the "No Call" in Indiana. Since I have signed up, I have only received one call and when I told them that they were not to call me, they promptly apologized and took my name off of the list. I have a small child and I cannot tell you how many times I have been called in the past only to wake my child up! Please reconsider.

Thank you,

Paula Lewark
